

LEGAL OUT REACH PROGRAMME

On 25th August 2026, the Legal Aid Cell of Government Mizoram Law College organized a Legal Out-Reach Programme to commemorate the College Foundation Day. As part of the initiative, law books prepared by the Mizoram State Legal Services Authority were distributed to the public.

Final year students were divided into five groups and assigned different locations for effective coverage and wider dissemination of legal knowledge. The selected areas included:

Civil Hospital Area
Millennium Centre
Bara Bazar
Zion Street
Bazar Pui Area

During the programme, the students visited these places, interacted with the community, and distributed the law books with the aim of spreading legal awareness and ensuring that legal resources reached diverse sections of society. This outreach effort not only marked the significance of the College Foundation Day but also highlighted the commitment of the institution and its students to public service and legal empowerment.
